“UNEXPECTED INCOME” CLUB

This is an ongoing fundraiser for our Center to benefit the CSL Fullerton Growth Fund.

We are joining with a worldwide, spiritually based, Prosperity Program founded by The Golden Key Ministry-Unity once again! We've participated in the past successfully with amazing results. Let's start it up again and join the thousands worldwide in experiencing more Prosperity now!

The Program is based on a book titled,

How to Have “Unexpected” Income, by John W. Adams, an Unity Minister.
(www.GoldenKeyMinistry.com)

“Unexpected Income” = Increase in money above and beyond your current regular “expected” income.

The idea is to get into a habit of focusing on the “unexpected” income, gifts, surprises, blessings, abundance, in your daily life and put the LAW OF INCREASE in motion everyday! (What you give focus on, by Divine Law, must return to you multiplied.) And to continue the flow of Abundance, take 10% (tithe) of the “Unexpected Income” and donate it to a cause, charity or a spiritual work of your choice. In our case, **CSL Fullerton Growth Fund**. Then the Center will tithe (pass it forward) from the total collected to a charity of our choice every 3 months.

JOIN OUR CLUB! - anyone can join.

When you join the “Unexpected Income” Club, your name will be included in the daily Prosperity Prayer by the Center.

Requirements of the members are:

- 1) Do the Prosperity Prayer in the comfort of your home daily.
- 2) Keep your eyes open for the “Unexpected Income” everyday.
- 3) Tithe/donate from the “Unexpected Income” from your HEART with no conditions and no strings attached (on free-will bases).
- 4) Have FUN and PROSPER!
